Terms and Conditions

Policy holder is responsible for scheduling annual service inspections in Spring Months. For service calls, other than regular maintenance, policy customers will receive service within 24 hours. This is a Maintenance Policy & does not cover any repairs, replacement parts or labor. Any additional parts, materials or labor needed, that are not included above, example (Freon), will be an additional charge to the customer upon customer's approval. Any additional repairs will be done at a discounted labor rate with no mark-up on parts. All of our policy customers are given priority service.
